

Appendix I and II and resolutions by a two-thirds majority of Parties present and voting. The Secretariat or any Party may also submit reports on wildlife and plant trade for consideration.

(b) *CoP locations and dates.* At a CoP, Parties interested in hosting the next meeting notify the Secretariat. The Parties vote to select the location of the next CoP. Once a country has been chosen, it works with the Secretariat to set the date and specific venue. The Secretariat then notifies the Parties of the date for the next CoP.

(c) *Attendance at a CoP.* All Parties may participate and vote at a CoP. Non-Party countries may participate, but may not vote. Organizations technically qualified in protection, conservation, or management of wildlife or plants may participate in a CoP as observers if they are approved, but they are not eligible to vote.

(1) International organizations must apply to the CITES Secretariat for approval to attend a CoP as an observer.

(2) National organizations must apply to the Management Authority of the country where they are located for approval to attend a CoP as an observer.

§ 23.86 How can I obtain information on a CoP?

As we receive information on an upcoming CoP from the CITES Secretariat, we will notify the public either through published notices in the FEDERAL REGISTER or postings on our website (see § 23.7). We will provide:

(a) A summary of the information we have received with an invitation for the public to comment and provide information on the agenda, proposed amendments to the Appendices, and proposed resolutions that they believe the United States should submit for consideration at the CoP.

(b) Information on times, dates, and locations of public meetings.

(c) Information on how international and national organizations may apply to participate as observers.

§ 23.87 How does the United States develop documents and negotiating positions for a CoP?

(a) In developing documents and negotiating positions for a CoP, we:

(1) Will provide for at least one public meeting.

(2) Consult with appropriate Federal, State, and tribal agencies; foreign governmental agencies; scientists; experts; and others.

(3) Seek public comment through published FEDERAL REGISTER notices or postings on our website that:

(i) Solicit recommendations on potential proposals to amend the Appendices, draft resolutions, and other documents for U.S. submission to the CoP.

(ii) Announce proposals to amend the Appendices, draft resolutions, and other documents that the United States is considering submitting to the CoP.

(iii) Provide the CoP agenda and a list of the amendments to the Appendices proposed for the CoP, a summary of our proposed negotiating positions on these items, and the reasons for our proposed positions.

(4) Consider comments received in response to notices or postings provided in paragraph (a)(3) of this section.

(b) We submit the following documents to the Secretariat for consideration at the CoP:

(1) Draft resolutions and other documents at least 150 days before the CoP.

(2) Proposals to amend the Appendices at least 150 days before the CoP if we have consulted all range countries, or 330 days before the CoP if we have not consulted the range countries. For the latter, the additional time allows for the range countries to be consulted through the Secretariat.

(c) The Director may modify or suspend any of these procedures if they would interfere with the timely or appropriate development of documents for submission to the CoP and U.S. negotiating positions.

(d) We may receive additional information at a CoP or circumstances may develop that have an impact on our tentative negotiating positions. As a result, the U.S. representatives to a CoP may find it necessary to modify, reverse, or otherwise change any of those positions when to do so would be in the best interests of the United States or the conservation of the species.
